

## Subsequent Years Rule 34 CFR 300.203(c) Effective Date July 1, 2015

(a) *Eligibility standard.* (1) For purposes of establishing the LEA's eligibility for an award for a fiscal year, the SEA must determine that the LEA budgets, for the education of children with disabilities, at least the same amount, from at least one of the following sources, as the LEA spent for that purpose from the same source for the most recent fiscal year for which information is available:

- (i) Local funds only;
- (ii) The combination of State and local funds;
- (iii) Local funds only on a per capita basis; or
- (iv) The combination of State and local funds on a per capita basis.

(2) When determining the amount of funds that the LEA must budget to meet the requirement in paragraph (a)(1) of this section, the LEA may take into consideration, to the extent the information is available, the exceptions and adjustment provided in §§300.204 and 300.205 that the LEA:

- (i) Took in the intervening year or years between the most recent fiscal year for which information is available and the fiscal year for which the LEA is budgeting; and
- (ii) Reasonably expects to take in the fiscal year for which the LEA is budgeting.

(3) Expenditures made from funds provided by the Federal government for which the SEA is required to account to the Federal government or for which the LEA is required to account to the Federal government directly or through the SEA may not be considered in determining whether an LEA meets the standard in paragraph (a)(1) of this section.

(b) *Compliance standard.* (1) Except as provided in §§300.204 and 300.205, funds provided to an LEA under Part B of the Act must not be used to reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.

(2) An LEA meets this standard if it does not reduce the level of expenditures for the education of children with disabilities made by the LEA from at least one of the following sources below the level of those expenditures from the same source for the preceding fiscal year, except as provided in §§300.204 and 300.205:

- (i) Local funds only;
- (ii) The combination of State and local funds;

(iii) Local funds only on a per capita basis; or

(iv) The combination of State and local funds on a per capita basis.

(3) Expenditures made from funds provided by the Federal government for which the SEA is required to account to the Federal government or for which the LEA is required to account to the Federal government directly or through the SEA may not be considered in determining whether an LEA meets the standard in paragraphs (b)(1) and (2) of this section.

(c) *Subsequent years.* (1) If, in the fiscal year beginning on July 1, 2013 or July 1, 2014, an LEA fails to meet the requirements of §300.203 in effect at that time, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required in the absence of that failure, not the LEA's reduced level of expenditures.

(2) If, in any fiscal year beginning on or after July 1, 2015, an LEA fails to meet the requirement of paragraph (b)(2)(i) or (iii) of this section and the LEA is relying on local funds only, or local funds only on a per capita basis, to meet the requirements of paragraph (a) or (b) of this section, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required under paragraph (b)(2)(i) or (iii) in the absence of that failure, not the LEA's reduced level of expenditures.

(3) If, in any fiscal year beginning on or after July 1, 2015, an LEA fails to meet the requirement of paragraph (b)(2)(ii) or (iv) of this section and the LEA is relying on the combination of State and local funds, or the combination of State and local funds on a per capita basis, to meet the requirements of paragraph (a) or (b) of this section, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required under paragraph (b)(2)(ii) or (iv) in the absence of that failure, not the LEA's reduced level of expenditures.

(d) *Consequence of failure to maintain effort.* If an LEA fails to maintain its level of expenditures for the education of children with disabilities in accordance with paragraph (b) of this section, the SEA is liable in a recovery action under section 452 of the General Education Provisions Act (20 U.S.C. 1234a) to return to the Department, using non-Federal funds, an amount equal to the amount by which the LEA failed to maintain its level of expenditures in accordance with paragraph (b) of this section in that fiscal year, or the amount of the LEA's Part B subgrant in that fiscal year, whichever is lower.
